

## GAME DAY EXPECTATIONS:

- 6U first game (coach team) put up pugs w/pegs completely in ground, last game (coach team) takes it down and puts it back in closet at comfort station. You may borrow a hammer in 10U bucket as needed.
- 8U-12U Arrive at the field 30 minutes prior to game. 6U to arrive 5 minutes prior to training/game time.
- One team tent may be placed for the resting players inside the technical area. No spectators are allowed in the technical area. Spectators should be 6 feet behind team tent or behind the side lines. Spectators can use tents or umbrellas.
- Teams and spectators may enter the field once the prior games spectators have cleared the field.
- 10U/12U Linesperson to pick up flag from center referee when you report to the field 10 minutes prior to game time.
- Coach team to take role, 10U/12U include linesperson. Keep in case we need it later.
- Games will not start if there are spectators in unpermitted locations. Spectators are not allowed to sit or cheer from behind the goals.
- One team captain per team will meet the referee for coin toss before game.
- 10U/12U Linespeople to return flag to center referee after the game.
- Players should place their bags with all belongings in the team tent / technical area
  - **shin guards (on their skin with sock fully covering shin guard, you can fold the sock over the top to go back down toward foot) and covered shoes (cleats are not required - must be soccer cleats w/no cleat at the front of shoe and NO metal cleats);**
  - **proper size ball with name and phone number on it;**
  - **water preferably in a reusable container with name on it;**
  - **optional hand sanitizer with name on it;**
  - **mask that fully cover nose and mouth are optional; and**
  - **bag with name on it to keep everything in while not in use**
- Handshake/high fives and parent tunnels after game ok. Team snacks and food are allowed this year. Please remember to remove your trash from the field or take to closest trash receptable.
- Be courteous of the next team. Please breakdown or move tents and items away from the field after your game so the next team can come in to setup and prepare for their game.
- 10U-12U parents from each team of last game are to tear down goals and put them in the closet at the comfort station. The straight pieces are placed in the straight bag and the curved pieces in the black bags with the net. Please be sure to collect all of the stakes and place them in the bucket.
- 14U-19U check with your coach on field rules as other regions may have established different protocols.

Mahalo for your support!
